HEXTIO

RADIC 8

The perfect Air Purifier for small areas up to 20m2.

Hextio is the perfect air purifier. Suitable for small areas of up to 20m2 (with a max ceiling height of 2.4 m). Ideal for personal use at home, in a small office or on reception desks.

- ❖ Ideal for personal use at home, in a small office or on reception desks
- ❖ This unit is a plug and play, portable unit and does not require specialised installation

The Hextio and VK Air Sanitisers may be used as an adjunct to personal protective equipment (PPE) and other infection control procedures. When using the HEXTIO and VK Air Sanitisers unit basic safety precautions should be observed, and instructions should be read to reduce the risk of fire, electric shock, or injury; the appliance should not be used by children or adults with reduced capabilities. Looking directly at an ultra-violet light may cause permanent damage to the eyes.
